The Cornell Note-taking Method

DATE & TOPIC

NOTE-TAKING COLUMN

Use this space to record the lecture. When using your notes to study after class, cover up this section as you try to answer the questions from the cue column

CUE COLUMN

During and after class, write questions directly pertaining to the main ideas of the lecture.

SUMMARY BOX

After class, write a quick summary at the bottom of each page. Try to reflect upon how this information fits into the larger context of the course.
