

# TRANSFER 101

Villanova University and New Student Orientation will continue to send Transfer 101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. Click [here](#) to read past issues of Transfer 101.

## **Required Courses**

The Orientation team is excited to welcome you to campus this weekend! Please be sure your required courses have been completed. A full list and links can be found at our [Before You Arrive website](#).

## **Center for Research and Fellowship**

The Center for Research and Fellowship (CRF) aims to ignite curiosity, exploration and discovery through student research programs, the Presidential Scholars Program and support for nationally competitive scholarships and fellowships. Through holistic advising and tailored professional development programs, CRF equips students to become changemakers and transformative leaders. To learn more, visit Garey Hall 200, or email [crf@villanova.edu](mailto:crf@villanova.edu).

## **Villanova University Career Center**

The Career Center is helpful to students as they discover their options for internships, opportunities that complement the classroom experience and the job search process. They provide many services to all undergraduates and alumni, including four-year development plans, career and grad school counseling, access to Handshake, special events and workshops and many others. Questions? Contact the Career Center at [careers.info@villanova.edu](mailto:careers.info@villanova.edu).

## **Sign up for Your Villanova Handshake Account**

Handshake is Villanova's database of jobs and internships. Students can search and apply online 24/7. Students may also upload their resume, obtain employer contact information and participate in campus interviewing. For any questions, contact the Career Center at [careers.info@villanova.edu](mailto:careers.info@villanova.edu).

## **Villanova University Office of Education Abroad**

The Office of Education Abroad (OEA), located on the top floor of Garey Hall, aims to support students in their academic discoveries, personal growth, cultural intelligence and career development during their time abroad. OEA supports international opportunities that encourage students to pursue strong academic endeavors, develop an increased sense of personal identity, strengthen cross-cultural communications and gain exposure to global work environments. For more information about study abroad programs, student resources, info session dates and times and FAQs, check out the Office of Education Abroad website or contact OEA at [abroad@villanova.edu](mailto:abroad@villanova.edu).
